Education

Bachelor of Science Degree in Software Engineering Jan 2023 – Present
University of Lay Adventists of Kigali, Kigali

A three year bachelor's program that teaches the essential and core components of computer science, specifically software engineering.

High School Diploma Sep 2019 – Sep 2022
St. Christopher Catholic High School, Kakata
Completed secondary school and successfully passed the West African Senior School Certificate Examination (WASSCE)

Employment

Intern Jun 2021 – Sep 2021
Ministry of Health, Monrovia

I completed a four month internship in the Healthcare Quality Management Unit (HQMU) of the Ministry of Health. My responsibilities were:

1. Assisted the unit in the planning, implementation and evaluation of healthcare quality programs;
2. developed awareness messages for disease prevention and control;
3. organized healthcare teleconference meetings to discuss pressing healthcare issues and to develop solutions and learn best practices;
4. prepared reports, and took meeting minutes;
5. assisted in the coordination of training workshops organized by the unit;
6. assisted in other roles when needed.

Peer to Peer Awareness Educator Jul 2019 – Aug 2022
Save a Life–Liberia, Kakata

1. Developed awareness messages to educate peers and other adults about sexually transmitted infections (STIs), non-communicable diseases, smoking, drug use, alcoholism, and other conditions;
2. provided peer to peer education and training specifically about HIV/AIDS in Kakata city due to the increased prevalence of the disease among youth;
3. attended and took meeting minutes;
4. coordinated the establishment of health clubs in several high schools;
5. assisted with other tasks when needed.

Intern, Sales Department Jul 2018 – Sep 2018
Hope–Agriculture Enterprise, Kakata

1. assisted in the coordination of sale activities of the company;
2. planned customers' outreach activities;
3. assisted in the preparation of financial records ;
4. assisted with other tasks
